

Young Life College Coordinator & Residential Mentors 2 days a week

Young Life Australia is a non-denominational Christian charity that mentors and offers stable and caring role models to teenagers, operating in fifteen urban and rural communities around Australia. Our focus is to build confidence, values and resilience in Australia's young people through significant relationships with adults who model the love of Jesus Christ.

Young Life Australia has established a training facility in Armidale NSW and a position has become available for a pastoral, teaching and administrative position at the College. The position requires a married couple to live on-site at the College and responsibilities will be delegated to each person as appropriate.

The position requires a couple who are well-organized, hospitable, have a pastoral outlook and are able to mentor and teach young adults.

The couple would be accountable to the Young Life Australia National Office and Management Committees.

To be successful in the role you will need to have a well-established marriage, have a strong Christian faith, a mature outlook, be suitably qualified, and agree with the aims and working principles of Young Life Australia. Training in Young Life's 'Leadership Foundations' will be provided.
