

Young Life 101 – Intensive

Overview: Young Life Australia is committed to excellence in its delivery of training for youth workers. We seek to equip and enable adults to connect meaningfully with young people and introduce them to Jesus Christ.

This intensive course will give you the necessary tools and understanding to undertake effective relational ministry with young people. From a scriptural vantage point, this course is practical and adaptable to your ministry.

This course is designed for volunteer leaders, new staff and youth leaders from any context with a heart for outreach.

You will also gain access to Young life Australia’s online training material.

Outcomes:

- Understand the importance of your own spiritual formation in the ministry context.
- Comprehend the theological basis for relational ministry and evangelism.
- Ability to actively apply principals of youth work outlined in Young Life’s ministry model.
